Social Studies Unit

- **I am unique and I belong** are the main ideas in the Kindergarten curriculum for Social Studies. We will be talking about how God made everyone special (Ps. 139). We will be talking about how everyone is a part of a family, a culture and a group!

Math

- We will be starting to work on our number sense! Recognizing and printing the number symbols, 1-10, representing them in a variety of ways.

R.E.D- Read Every Day Program. We will be starting our home reading program! Student's will be bringing home two books to practice. There is a GREEN home reading log. Please fill in ONE spot for each day that your child does home reading. For example, on January 15, Emma practiced 2 books. I fill in one date, write both book titles, and write my initials. I will also be sending home a sheet that talks about tips and tricks to helping them be successful readers!

Library Books- are always due back on Tuesday and Wednesday!

Special Helper- Please bring in ONE toy and ONE book to present to the class
